

Electronique Analogique

Textes de TD et de TP

Jean-Louis Monin

Laboratoire d'astrophysique
Observatoire de Grenoble

Bureau 114
04 76 51 42 14

Jean-Louis.Monin@obs.ujf-grenoble.fr

Programme des enseignements d'électronique analogique

4 enseignants en parallèle, le même programme et les mêmes TD :

Pierre Benech, benech@enserg.fr

Jean-Louis Monin, Jean-Louis.Monin@obs.ujf-grenoble.fr

M. Valier

Gilles Rostaing, gilles.rostaing@leg.ensieg.inpg.fr

Les Objectifs

- Initiation à l'électronique analogique des composants discrets.
- Se positionner par rapport à l'électronique « moderne et industrielle » c'est à dire de plus en plus intégrée.
- Conception et réalisation de montages simples : avoir les éléments indispensables pour proposer et dimensionner un schéma.

Cours :

- Rappels de calculs de circuits. Modèle de Thévenin - Norton
- Rappels sur les amplificateurs opérationnels.
- Semiconducteurs : la jonction PN
- Les diodes et leurs applications classiques (redressement, Zener, LED)
- Le transistor
- Le principe des transistors bipolaires (NPN, PNP)
- Utilisation des transistors bipolaires : montages de base
- Les transistors à effet de champ (FET, JFET, MOSFET) et leurs applications.
- Classes d'amplification
- Puissance dissipée. Calculs de radiateurs

Domaine de fonctionnement

TPA0211

2-W MONO AUDIO POWER AMPLIFIER

SLOS275D – JANUARY 2000 – REVISED NOVEMBER 2002

- Ideal for Wireless Communicators, Notebook PCs, PDAs, and Other Small Portable Audio Devices
- 2 W Into 4 Ω From 5-V Supply
- 0.6 W Into 4 Ω From 3-V Supply
- Wide Power Supply Compatibility
3 V to 5 V
- Low Supply Current
 - 4 mA Typical at 5 V
 - 4 mA Typical at 3 V
- Shutdown Control . . . 1 μ A Typical
- Shutdown Pin Is TTL Compatible
- -40°C to 85°C Operating Temperature Range
- Space-Saving, Thermally-Enhanced MSOP Packaging

A screenshot of a web browser window. The address bar shows the URL: http://www-laog.obs.ujf-grenoble.fr/~monin/enseignement/ens_intro.html. The browser title is "Document sans titre". The website content features a dark background with a starry field. On the left, there is a navigation menu with a UK flag icon and links: "Accueil", "Recherche", "Publications", "Enseignement", "Conférences", and "Trucs&Astuces". The main content area has the title "Formation Stellaire & Planétaire" in a stylized font. Below this, the name "Jean-Louis Monin" and the word "ENSEIGNEMENT" are displayed in large, bold letters. A paragraph of text follows, describing the author's teaching experience. Below the text, a horizontal rainbow line is present, and the link "Un cours d'electronique" is circled in red. Other links listed are "Un cours d'Astrophysique en L3", "Cours Master PRO 'OP'", and "Cours Master Recherche 'Astrophysique Instrumentale'".
